AMCO ENCLOSURES

www.amcoenclosures.com

Enclosures - Electronic/electrical cabinets, consoles, portable and workbench cabinets. Shielded available. Cooling devices.

DATAKEY

www.datakey.com

Rugged portable memory systems for demanding OEM applications. Secure and uses standard industry formats.

DEARBORN ELECTRONICS

www.dearbornelectronics.com

Leading the industry in capacitor and filter products for Hi-Rel and demanding applications. Film, Tantalum, Ceramic, Aluminum Electrolytic, high voltage/temp and Mica.

EAO SWITCHES

www.eaoswitch.com

Pushbutton, general purpose, oil and watertight, keylock, PCB, tact keypads, DIP and PCB jumper, emergency stop.

HALLMARK TECHNOLOGIES

www.hallmarknameplate.com

Custom graphic overlays, name plates, membrane switches, control panel assemblies.

HELLERMANNTYTON

www.hellermanntyton.us/defense

Industry leader in heatshrink products and molded shapes. Strain-relief boots, transitions and connector backshell covers for a variety of industries. Custom shapes available.

ISODYNE

www.isodyneinc.com

Tool-less braid termination systems specifically designed for wire harnesses requiring shielding from EMI/RFI or HERF and lightning.

MACOM

www.macom.com

RF Components - GaAs MMIC Devices, LNA, amplifiers, diodes, transistors, switches, mixers, drivers, attenuators, VCO's, GaN power, etc.

MARINCO

www.marinco.com

AC and DC power plugs, connectors and adapters, Straight blade, locking and right angle versions. Hospital grade, IEC 320. Industrial battery chargers.

QUELL

www.eeseal.com

EMI/RFI filters for a wide variety of connectors. Patented silicone rubber inserts for circular, rectangular and D-sub connectors. Meets rigorous Military testing standards.

RCD

www.rcdcomponents.com

World leader in the mfg. of standard and custom Resistors, Coils, Delay lines and Inductors. Market leading SWIFT™ program delivers parts in ONE week.

RECOM

www.recom-power.com

The Power Company, specializing in DC/DC, AC/DC power converters, LED drivers and switching regulators, .25w to 60w including customer specials.

SCHAFFNER EMC

www.schaffnerusa.com

Full range of power line EMI filters, transformers and chokes. Filters include IEC power entry modules plus single and three phase chassis mount units. Custom solutions available.

TRIAD

www.triadmagnetics.com

Standard and custom transformers, switching power supplies. Switchmode/high frequency, wall plug-in, power, inductors, audio transformers.

U.S. SENSOR

www.ussensor.com

World class manufacturer of an extensive variety of high quality thermistors. Product line includes: NTC, RTD's and probe assemblies.

VOLEX

www.volex.com

The world's largest producer of power cords and harnesses. Specializing in high speed, datacom and optical connection solutions. RF, fiber and high speed connectors also available.

ZIERICK

www.zierick.com

Engineered interconnect solutions. Quick disconnect, crimp terminals, ring terminals, IDC and IPC wire to board connectors. Wide variety of standard interconnect parts. Custom solutions available.
