AMCO ENCLOSURES

www.amcoenclosures.com

Enclosures - Electronic/electrical cabinets, consoles, portable and workbench cabinets. Shielded available. Cooling devices.

CARLING TECHNOLOGIES

www.carlingtech.com

The industry leader in rockers, toggles, sealed switches and circuit breakers. They have served a multitude of markets since 1920 with unmatched reliability.

DATAKEY

www.datakey.com

Rugged portable memory systems for demanding OEM applications. Secure and uses standard industry formats.

EAO SWITCHES

www.eaoswitch.com

World leader in HMI interface systems and components. Pushbutton, E-Stop, illuminated switches, keylock, lever, joysticks and buzzers.

HALLMARK TECHNOLOGIES

www.hallmarknameplate.com

Custom graphic overlays, name plates, membrane switches, control panel assemblies.

HELLERMANNTYTON

bit.ly/MoldedShapes

Industry leader in heatshrink products and molded shapes. Strain-relief boots, transitions and connector backshell covers for a variety of industries. Custom shapes available.

HELLERMANNTYTON

Tool-less braid termination systems specifically designed for wire harnesses requiring shielding from EMI/RFI or HERF and lightning.

KING-CORD

www.king-cord.com

Power Cords - UL, CSA, VDE and all Worldwide agency approvals. Manufacturing in Mexico, Taiwan, China and the United States. Standards & Custom.

QUELL

www.eeseal.com

EMI/RFI filters for a wide variety of connectors. Patented silicone rubber inserts for circular, rectangular and D-sub connectors. Meets rigorous Military testing standards.

RCD

www.rcdcomponents.com

World leader in the mfg. of standard and custom Resistors, Coils, Delay lines and Inductors. Market leading SWIFT™ program delivers parts in ONE week.

SCHAFFNER EMC

www.schaffnerusa.com

Full range of power line EMI filters, transformers and chokes. Filters include IEC power entry modules plus single and three phase chassis mount units. Custom solutions available.

TAWA

www.tewa-sensors.com

Leading Manufacturer of NTC Thermistor and Temperature Probes. Broad spectrum of temperature sensing solutions for the electronics marketplace.

TRIAD

www.triadmagnetics.com

Standard and custom transformers, switching power supplies. Switchmode/high frequency, wall plug-in, power, inductors, audio transformers.

ZIERICK

www.zierick.com

Engineered interconnect solutions. Quick disconnect, crimp terminals, ring terminals, IDC and IPC wire to board connectors. Wide variety of standard interconnect parts. Custom solutions available.
